## **From The President**

The weather has been very pleasant over the past few weeks and it has been a nice September so far. I would like to thank everyone that came to out to our annual fall club event. Lots of good flying, good food and community. The extra salad and desert make it a great and enjoyable experience.

Here's hoping the weather holds and we can keep flying till late fall.

Club meetings are starting back up, September 25th 7pm. same location as previous years.

Come on out, and contribute to the planning of our next year events.

Indoor flying is starting up in November. Tuesday's in Woodstock and Friday's in Tillsonburg. Watch our website calendar for details.

The London swap meet is planned for October 15, possible Woodstock club tables if there is interest.

Bryan Mailloux
