From The President

Happy New Year!

The New Year's Day gathering was success that participated with getting the first few flights of the year. The weather was cool with light winds; many successful flights were flown in the snow covered flying area. Just a few weeks ago the club held the annual Club Christmas party at the Moose lodge with many positive remarks about the good food and the entertainment after dinner. I trust with the current weather you are able to spend time playing with your new toy's that were received for Christmas. This is also a time to do some off season preventative maintenance on our flying aircraft. The Indoor flying at Oliver Stephens's public school has restarted, and I am happy to say that many members and visitors are enjoying having the larger gym. Planning for the summer activities will continue to take place at our winter meetings.

I want to wish the members all the best and have a safe and happy 2017.

Coming Events

- Indoor flying in Woodstock on Tuesdays at Oliver Stephens Public School, [164 Fyfe Ave.](#)
- Indoor flying in Tillsong on Fridays starting at Glendale High School, [37 Glendale Drive.](#)
- Coffee club on Wednesday's is continuing. Location will alternate between the Tillsong airport and Woodstock Pancake House.

Please see the [calendar on the website](#) for the most up to date times and locations.

PR Committee & Web Site

All running OK. Facebook page is getting lots of info posted. Looking to get sign at corner of CR4 and CL4, could go under cycle club sign so people know where to turn to find the field.

SNAP paper may be able to run some ads for us, with some pictures of indoor flying.

New Business

Thanks to Tony P., Dave T. and all who drove down to the Warplane Heritage Museum, for a great day. (18 IA)

Bryan still has 2 solar panels 30W each, that could be used for charging at the field if it is cost effective. Steve Ruxton has some 4mm Coroplast for Combat .25 size wings.

Oliver Stephens Public School in Woodstock is looking in to us doing a RC training event like the one in Ingersoll last month.

K-W Swap Meet on Jan., 21st, at K-W Rod and Gun Club. (see Facebook WRCFC for info)

Motions

To adjourn: Bryan.....Fiberglas Molding Q&A.....See you at Tim's for coffee.
