From The President

The end of February is big milestone for our winter drawing nearer to an end. I'm convinced that Chilly Charlie will be accurate and his plan of an early spring. Till then the club has weekly indoor event planned for Oliver Stephen public school on Tuesday evening. Pilots have been having a good time with a few guests dropping in to check us out over the last few months. Also the local flyers from the area meet up at Tillsonburg airport to have a good hearty breakfast and talk about many projects that are going on in the workshop. This happens Tuesday morning just before 9am.

We still need to confirm and plan a few P.R. events that will be happening this Spring, bring your ideas and enthusiasm.

- Woodstock Rec. and Leisure show Mar. 3
- London Mall show April 13
- Southside Park May 20
